Gift Matching Companies

If your employer (or parent company) is listed in this brochure, your gift to an eligible institution of higher education could be at least doubled.

Please take a moment to get a matching gift form from your Human Resources or personnel office and follow the directions to initiate a match. Even if your company is not listed, check with Human Resources at your company to see if they offer a gift matching program.

Thank you for making the extra effort - and for your doubled support!
